

Step 1:

Open [TedOS Builder](#).

Step 2:

Click on the “Forgot password?” (blue text) button.

The screenshot shows the TedOS login interface. At the top left is the TedOS logo. At the top right, there is a 'Platform Language:' dropdown menu set to 'English'. The main content area features a white card with the title 'Sign into your account'. Below the title are two input fields: 'Email' with the placeholder 'Your email address' and 'Password' with the placeholder 'The password you picked'. To the right of the password field is a blue text link 'Forgot password?' which is highlighted by a red rectangular box and a red arrow pointing to it from the right. Below these fields is a blue 'Sign in' button. Underneath the button is a separator line with the text 'Or Continue with'. Below this is a 'Sign in with Google' button featuring the Google logo. At the bottom of the card, there is a small line of text: 'By signing in you agree to our [Terms and Conditions](#)'.

Step 3:

- (1) Type in your registered email address with TedOS.
- (2) Click on the “Reset Password” blue button.

Reset Password

Step 4:

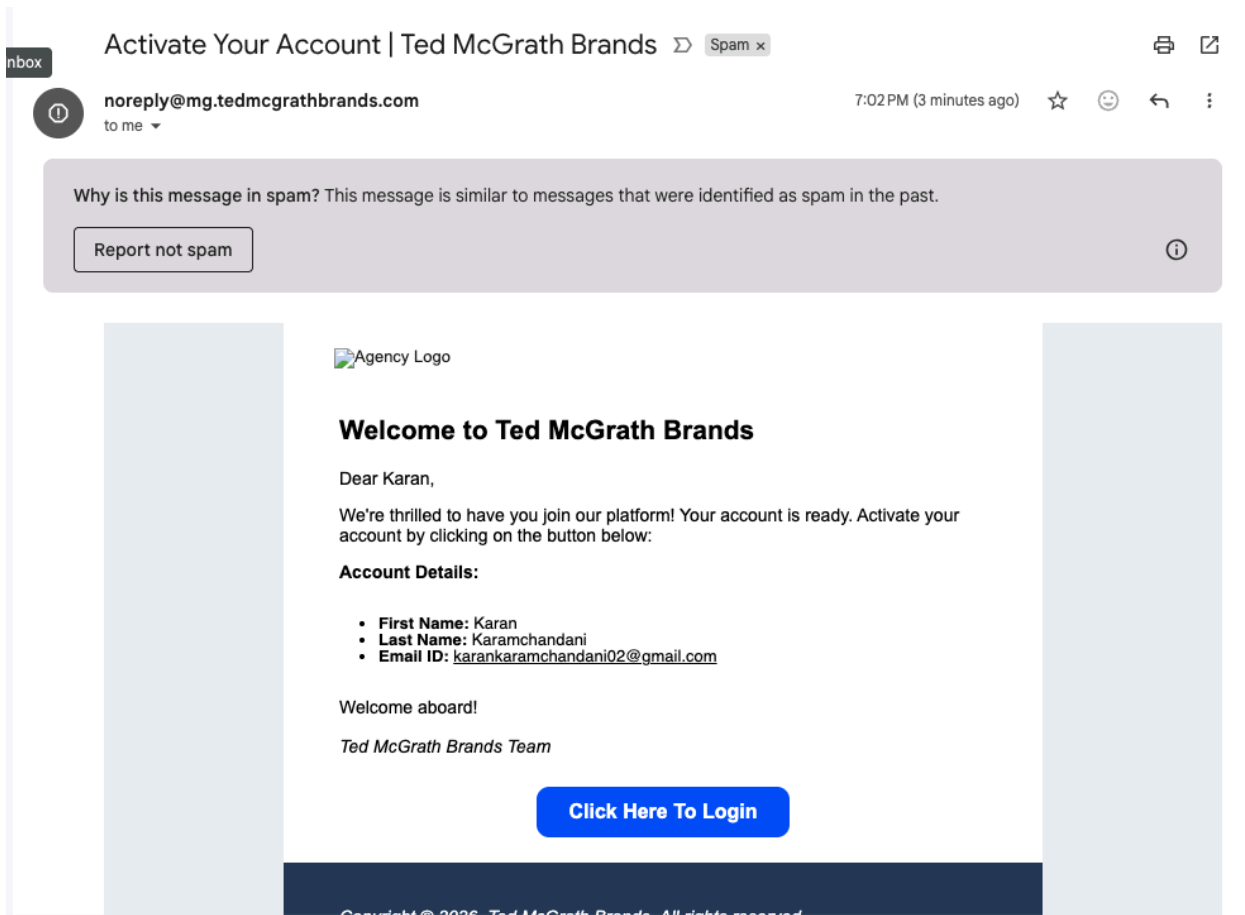

Wait for the authentication message (mentioning that a password reset link has been sent to your inbox) to show up.

Step 5:

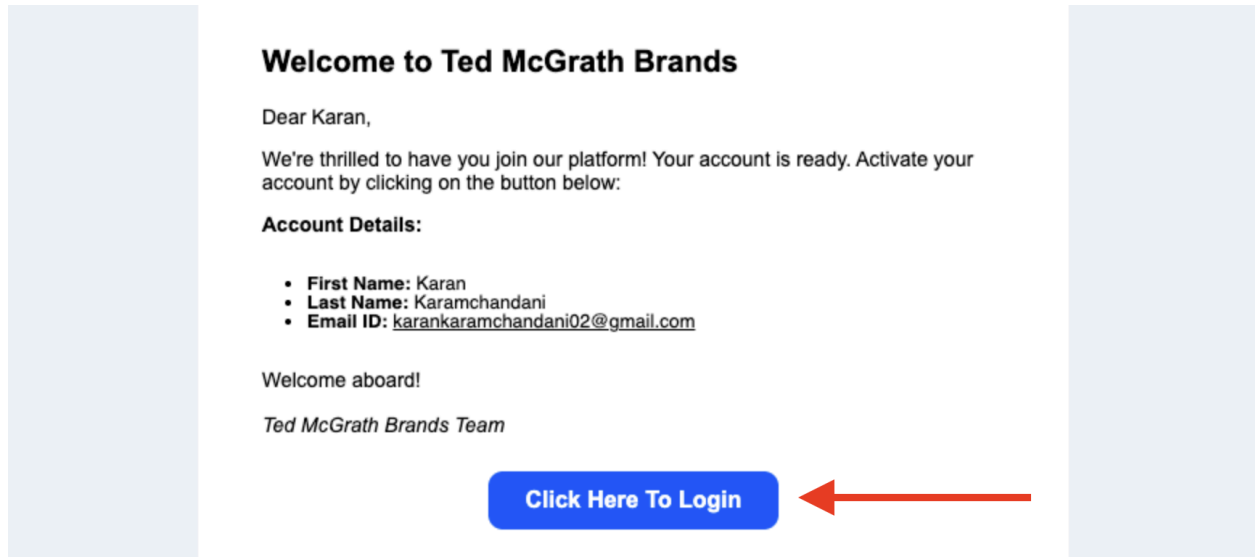

Open your email & find an email with the subject line “Activate Your Account”.

Please check your spam folder as well.

Step 6:

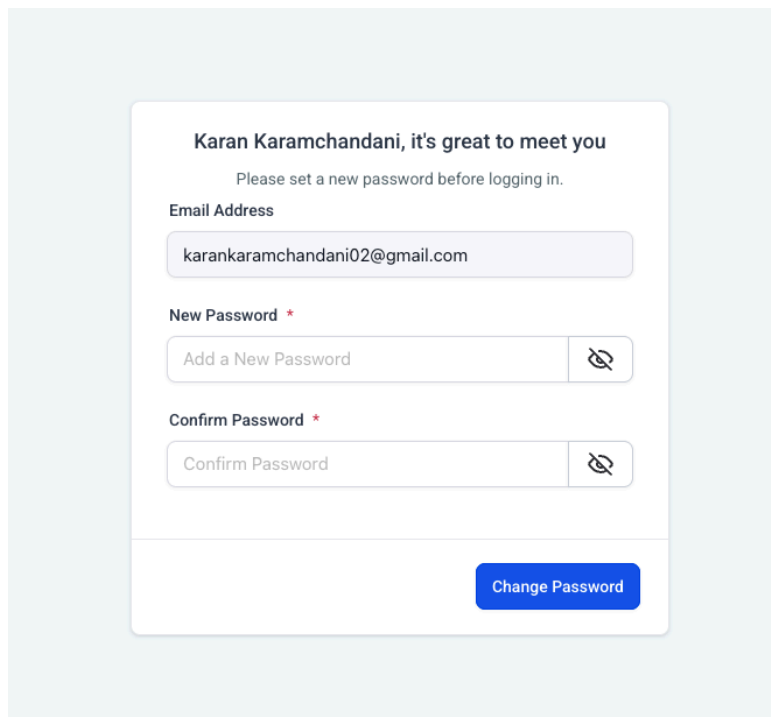

Click on the “Click Here To Login” button in the email.

Step 7:

Setup your password for your TedOS Builder.

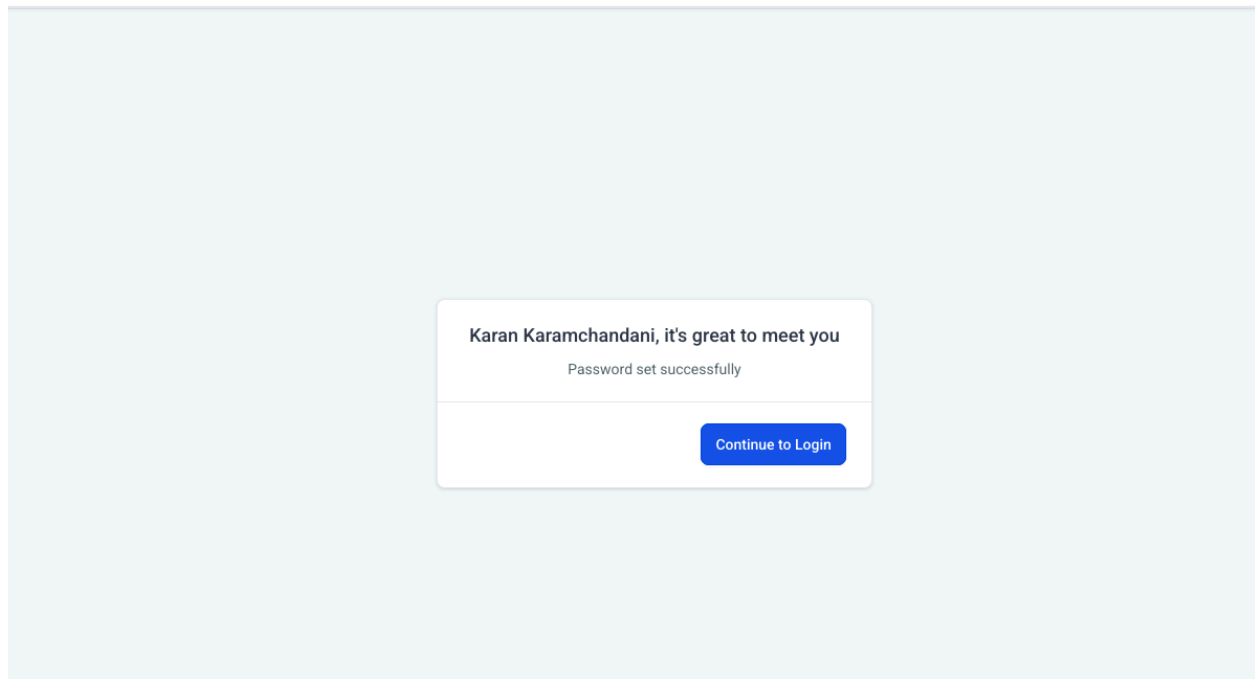

- Type in your password in the “New Password” & “Confirm Password” fields.
- Click on the “Change Password” blue button.

The screenshot shows a web form for setting a new password. At the top, it says "Karan Karamchandani, it's great to meet you" followed by "Please set a new password before logging in." Below this is a label "Email Address" and a text input field containing "karankaramchandani02@gmail.com". Then, there is a label "New Password *" and a text input field with the placeholder "Add a New Password" and a toggle icon. Below that is a label "Confirm Password *" and a text input field with the placeholder "Confirm Password" and a toggle icon. At the bottom right of the form is a blue button labeled "Change Password".

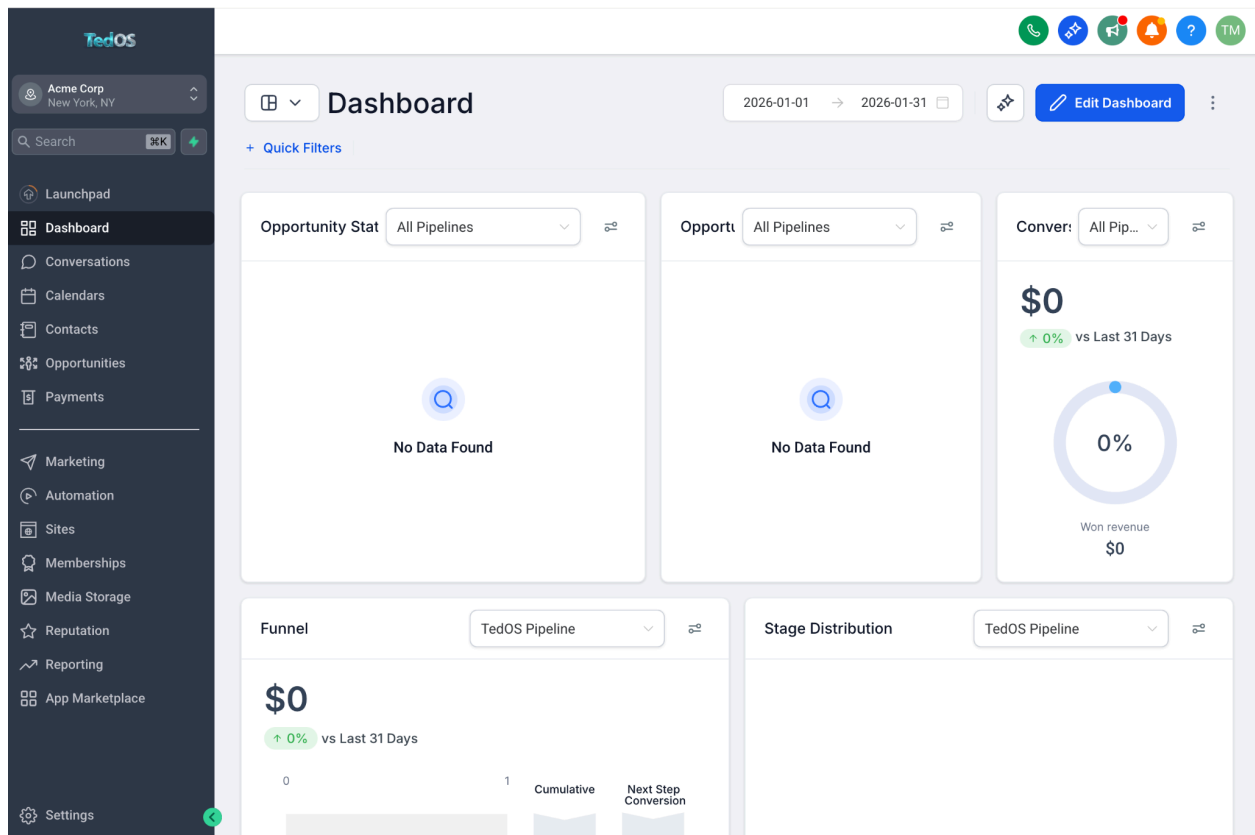

Step 8:

Wait for the acknowledgement message & then click on the “Continue to Login” blue button.

Step 9:

This would be the dashboard page that opens after logging in.

Step 10:

In the left sidebar menu, click on the “Sites” button.

The screenshot displays the TedOS dashboard for Acme Corp. The left sidebar menu includes options like Launchpad, Dashboard, Conversations, Calendars, Contacts, Opportunities, Payments, Marketing, Automation, **Sites** (highlighted with a red arrow), Memberships, Media Storage, Reputation, Reporting, App Marketplace, and Settings. The main dashboard area features a top navigation bar with the TedOS logo, user profile, search bar, and date range selector (2026-01-01 to 2026-01-31). Below this, there are several widgets: Opportunity Stat, Oppor..., Conver..., Funnel, and Stage Distribution. The Opportunity Stat and Oppor... widgets show 'No Data Found'. The Conver... widget shows a conversion rate of 0% with a green arrow indicating an increase vs Last 31 Days. The Funnel widget shows a revenue of \$0 with a green arrow indicating an increase vs Last 31 Days. The Stage Distribution widget is currently empty.

Step 11:

Click on “Appointment Booking Funnel with Free Gift - 03”.

This is where your funnel pages are stored.

The screenshot shows the TedOS interface. On the left is a dark sidebar with a menu including Launchpad, Dashboard, Conversations, Calendars, Contacts, Opportunities, Payments, Marketing, Automation, Sites (highlighted), Memberships, Media Storage, Reputation, Reporting, App Marketplace, and Settings. The main area is titled 'Funnels' with the subtitle 'Build funnels to generate leads, appointments and receive payment'. At the top right of the main area are buttons for 'Create Folder' and '+ New Funnel', and a search bar labeled 'Search for Funnels'. Below this is a table with two columns: 'Name' and 'Last Updated'. The table contains two entries: 'Appointment Booking Funnel with Free Gift - 03' and 'Appointment Generating Funnel with Free Gift'. A red arrow points to the first entry. At the bottom right of the table are 'Previous', '1', and 'Next' buttons.

Name	Last Updated
Appointment Booking Funnel with Free Gift - 03	Jan 30, 2026 03:33 AM
Appointment Generating Funnel with Free Gift	Jan 21, 2026 09:24 PM

Step 12:

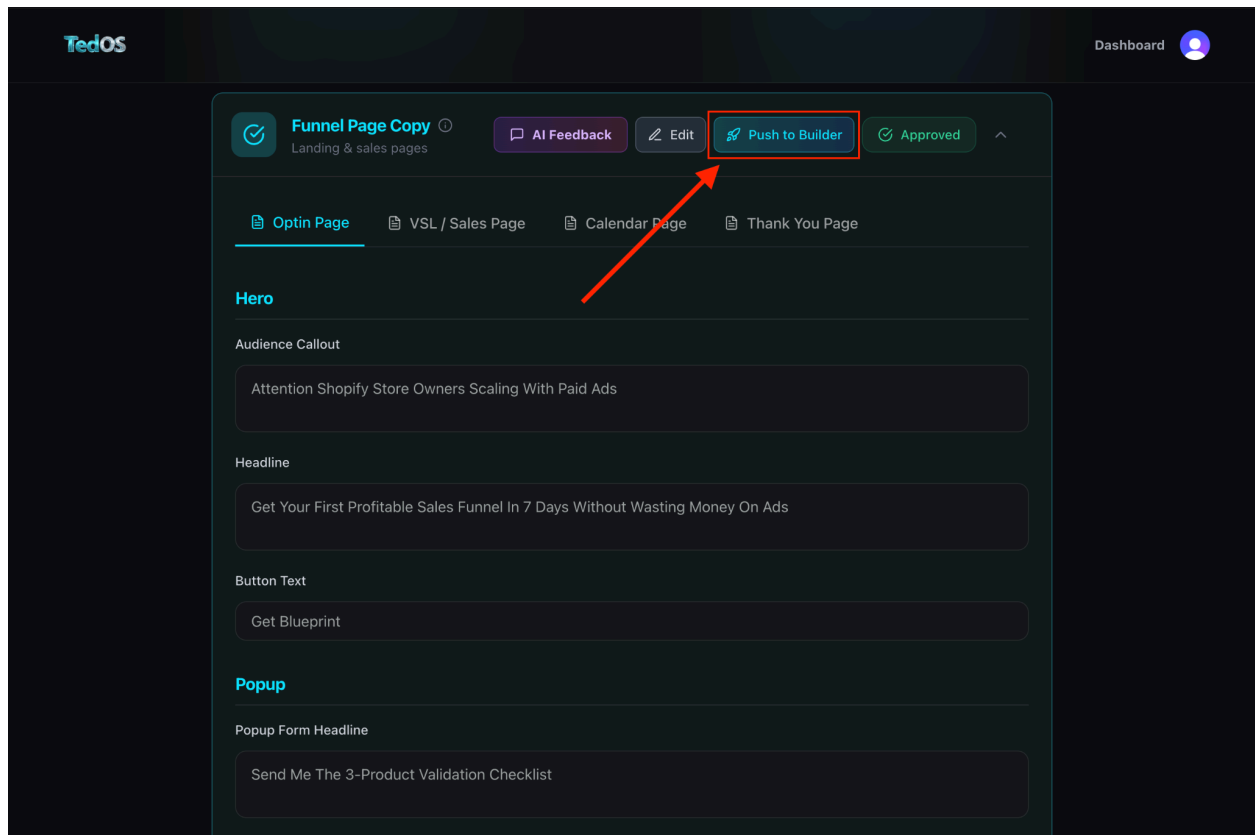

You will be able to see each page in your funnel.

The screenshot displays the TedOS Funnel Builder interface. On the left is a dark sidebar with navigation options: Launchpad, Dashboard, Conversations, Calendars, Contacts, Opportunities, Payments, Marketing, Automation, Sites (selected), Memberships, Media Storage, Reputation, Reporting, App Marketplace, and Settings. The main header includes tabs for Sites, Funnels (active), Websites, Stores, Webinars, Analytics, Blogs, WordPress, Client Portal, Forms, Surveys, Quizzes, Chat Widget, and QR Codes. The funnel title is 'Appointment Booking Funnel with Free Gift - 03'. Below the title are tabs for Steps, Stats, Sales, Security, Events, and Settings. A 'Funnel Steps' panel on the left lists: Optin Page (highlighted with a green checkmark), Sales Page, Calendar Page, and Thankyou Page. The main content area shows the 'Optin Page' configuration. It includes a 'CONTROL' section with a placeholder for the page content and an 'Edit' button. A 'VARIATION' section on the right features a '+ Create variation' button. A 'Start Split Test' section with a bar chart icon and text 'Optimize your lead and sales generation with split tests.' is also present. At the bottom, there are buttons for '+ Add New Step or Import', 'Delete Funnel Step', and 'Clone Funnel Step'.

Step 13:

Go back to TedOS Agent.

Click on the “Push to Builder” button for the Funnel Page Copy, Media Library, and Brand Colors.

Step 14:

To view your page, click on the preview icon.

The screenshot displays the TedOS dashboard interface. On the left is a dark sidebar with navigation options: Launchpad, Dashboard, Conversations, Calendars, Contacts, Opportunities, Payments, Marketing, Automation, Sites (selected), Memberships, Media Storage, Reputation, Reporting, App Marketplace, and Settings. The main header includes tabs for Sites, Funnels (active), Websites, Stores, Webinars, Analytics, Blogs, WordPress, Client Portal, Forms, Surveys, Quizzes, Chat Widget, and QR Codes. The central content area is titled 'Appointment Booking Funnel with Free Gift - 03' and features sub-tabs for Steps, Stats, Sales, Security, Events, and Settings. The 'Steps' tab is active, showing a list of funnel steps: Optin Page (highlighted), Sales Page, Calendar Page, and Thankyou Page. Below this list is a '+ Add New Step or Import' button. The 'Optin Page' details are shown, including a 'CONTROL' section with a preview area, an 'Edit' button, a preview icon (highlighted with a red box and a red arrow), and a settings gear icon. To the right of the preview area is a 'Start Split Test' section with a chart icon and a 'VARIATION' section with a '+ Create variation' button. At the bottom right are 'Delete Funnel Step' and 'Clone Funnel Step' buttons.
